Children under 17 years of age may use the pool only at private parties when lifeguards are present.

Courts Plus offers over 18 hours each week of Water Exercise Classes in our indoor swimming pool. Courts Plus Members may attend any of these classes without registration or sign-up. Swimming skills are not necessary for joining any of the classes. These classes accomplish all the goals of a well-designed fitness program. It is a safe, low impact exercise for effective cardiovascular conditioning, muscular strength, endurance, toning, and flexibility. Pool workouts provide weightlessness, thus enabling you to do High Impact moves with no stress to your joints. The real bonus is the cooling effect and the natural resistance of the water working all major muscle groups while increasing range of motion and flexibility. All fitness levels will receive a challenging workout.

To ensure safety for all members, when 12 members are in class, the 2nd lane will be moved. Two lanes will be available for lap swimming. Also, to ensure the best workout for all members, please refrain from talking or side conversations during scheduled class times. We appreciate your cooperation.
